Aims and Scope

The International Postgraduate Research Conference (IPRC) is an international platform leading publishing high quality, rigorously peer-reviewed original research in mathematical applications to different disciplines, and to the methodological and theoretical role of mathematics in underpinning all scientific disciplines. The scope is intentionally broad, but papers must make a novel contribution to the fields covered in order to be considered for publication.

Topics include, but are not limited, to the following:

- Interface of Mathematics with other Disciplines
- Theoretical Role of Mathematics
- Methodological Role of Mathematics
- Interface of Statistics with other Disciplines
- Cognitive Sciences
- Applications of Mathematics
- Industrial Mathematics
- Dynamical Systems
- Mathematical Biology
- Fuzzy Mathematics

The conference considers original research articles, survey articles, and review for publication.

Important Date

- Registration and Abstract submission: 04 May-31 September 2021
- Notification of Abstracts Acceptance: 1 October 2021
- Full Paper Submission: 1 October – 31 October 2021
